Mary Crowell - 2017-18 completing term of Deedie Kriebel as Vice-President

I started attending Starr King in the fall of 1998 after my family and I moved to Meredith. I signed the book in April of 2000. I have been involved with the Religious education program throughout the years as a member of the RE committee, RE committee chair and as an RE teacher for the past 4 years. I started teaching RE after I retired from teaching middle school math, science and physical education for Winnisquam school district. I recently left my job as the NH Field service manager for the Epilepsy Foundation New England where I was responsible for education, support and fundraising here in NH. I enjoy hiking and golfing in my free time as well as traveling when I can.

Bob Clay - 2017-18 Treasurer

I have been a member at the Fellowship for 21 years. I have served a 2-year term as Treasurer in the early 2000's and was elected President before my 3-year term ended. I served as President during the 2 years of Interim Ministers when the Rev Art Vaeni left. I have served on the budget committee on three different occasions for multiple years. During my years at Starr King I have taught Owl Classes to Middle school students 4 times, have been a leader of the Senior High Youth Group for several years, taught an adult OWL Class, been on the Endowment Committee for several years and been your current Treasurer for the past 5 years. The reason that I have been nominated to a one year term is to fulfill a six-year term as I stepped in when asked 5 years ago when the then Treasurer and President Resigned and the Board asked me to help. I was then elected to a 3-year term after finishing out the 2 years left on the first term.

Judi Hall – 2017–20 - Trustee

I first became a member of Starr King. in the "Easter Seals" days when I had young children. During that time I taught in various RE classes and worked with the youth group, was a member of Small groups and served on the board as secretary and treasurer. I attended GA as a delegate and several district meetings.

Since rejoining Starr King about three years ago I have co-taught the Coming of Age and Neighboring Faiths classes, attended the recent New England district , and facilitate a Soul Matters group. I enjoy most fiber arts, hiking and travel, especially to Montana to visit my son.
